

Adult Neurology Center Patient Financial Policy

Thank you for choosing our practice! We are committed to the success of your medical treatment and care. Please understand that payment of your bill is part of your treatment and care.

For your convenience, we have answered a variety of commonly-asked financial policy questions below. If you need further information about any of these policies, please ask to speak with a Billing Specialist.

How May I Pay?

We accept payment by cash, check, cashier's check, VISA, MasterCard, American Express, and Discover (\$40 will be charged for checks returned for non-sufficient funds). There is a \$1 to \$2 surcharge for credit/debit card transactions. We also accept HSA/HRA payments.

May I Pay Online?

YES! To pay your bill online, go to www.adultneurologycenter.com and click on **Pay My Bill** to get started. It's free, easy, and secure. All transactions are securely processed through PNC's Payer Express.

Do I Need A Referral from My Insurance Company?

If you have a managed care insurance plan which requires a referral, you must contact your Primary Care Physician's (PCP) office and request a referral number from your insurance. A staff person at your PCP's office should contact your insurance to obtain the referral number. If we do not receive the referral number/form prior to your arrival to the office, you will be asked to call your primary care physician's office to obtain it. If you are unable to obtain the referral at that time, you will be required to pay for the services in full or reschedule your appointment.
